

Supplying cotton product to big-name buyers for over 20 years

Established in 1990, we have the experience needed to satisfy the expectations of big-name clients like Unilever, Johnson & Johnson, Disney and others. Specializing in cloth diapers and towels we also produce a range of baby blankets and jackets for your selection. And what's more, having passed audits by SGS and BV, as well as environmental and human rights audits from Intertek, you are ensured of products that will appeal to the most discerning clientele. To benefit from our experience, contact us today. Our sales representatives will respond within 24 hours.
