Calidad de toalla 100% duradera: suave y cómoda, súper absorbente.

El tamaño grande de 31.5 "x 63" te permite envolvete abrigadamente después de nadar, y el material resistente al color significa que los colores de esta toalla no se desvanecerán.

La microfibras absorbe casi 5 veces más agua que el algodón. Las toallas pueden absorber hasta 7 veces su peso. Es por eso que funciona perfectamente como playa & Toalla de viaje y por qué se seca tan rápido. Aún más impresionante es lo rápido que se puede secar la toalla después de usarla. Solo cuélguelo afuera por unos minutos y podrá usarlo rápidamente de nuevo.

MULTIUSO: ¡No solo una toalla de baño o una manta de playa! Úsalo para picnics de parque, yoga y & meditación y & descansando junto a la piscina.
