Specifications of Cotton Velour Personalized kids Beach Towels:

You're out on that beautiful California beach and the blanket you're on will not stop blowing a way in the wind, the terry cloth fabric collects so much sand that when you shake it off it sends a dust bowl to the people chillin' next to you (not cool), and it's that awkward size that isn't big enough for two people, yet too big for one

Well, we have the solution for you: the Beach Blanket by California Beach Towels. This Beach Blanket comes with 4 Anchor Corners to prevent it from blowing away in the wind, it is made of a microfiber fabric so the sand easily slides off, and it's HUGE (76"x64") so you can easily fit two people.

Great for beach days, picnics, yoga, sports events, outdoor concerts, or just catching some rays in the yard. This blanket comes with a stylish carrying case for easy travel and, of course, it comes with plenty of Cali love. So, why wait...grab your extra large California Beach Towel and head outside!
