Some designs of yoga towel:

BEST YOGA TOWEL FOR YOGIS WHO SWEAT: Hands-down, the best yoga towel for hot bikram and hot yoga. Our proprietary non-slip fabric utilizes "wet grip" design technology that's uniquely engineered to provide a slip free grip when the towel is damp.

Perfect for those who sweat and especially for Hot Yoga, Bikram Yoga, Vinyasa Flow and Power Yoga practitioners.

The underside of the towel has a light layer of anti-skid coating to securely grip your yoga mat.

The high-traction, cross-weave waffle pattern on the topside provides superior gripping action to help you stabilize your position on the mat, especially when you're sweating.
