NON LA TUA TOVAGLILO MEDIO

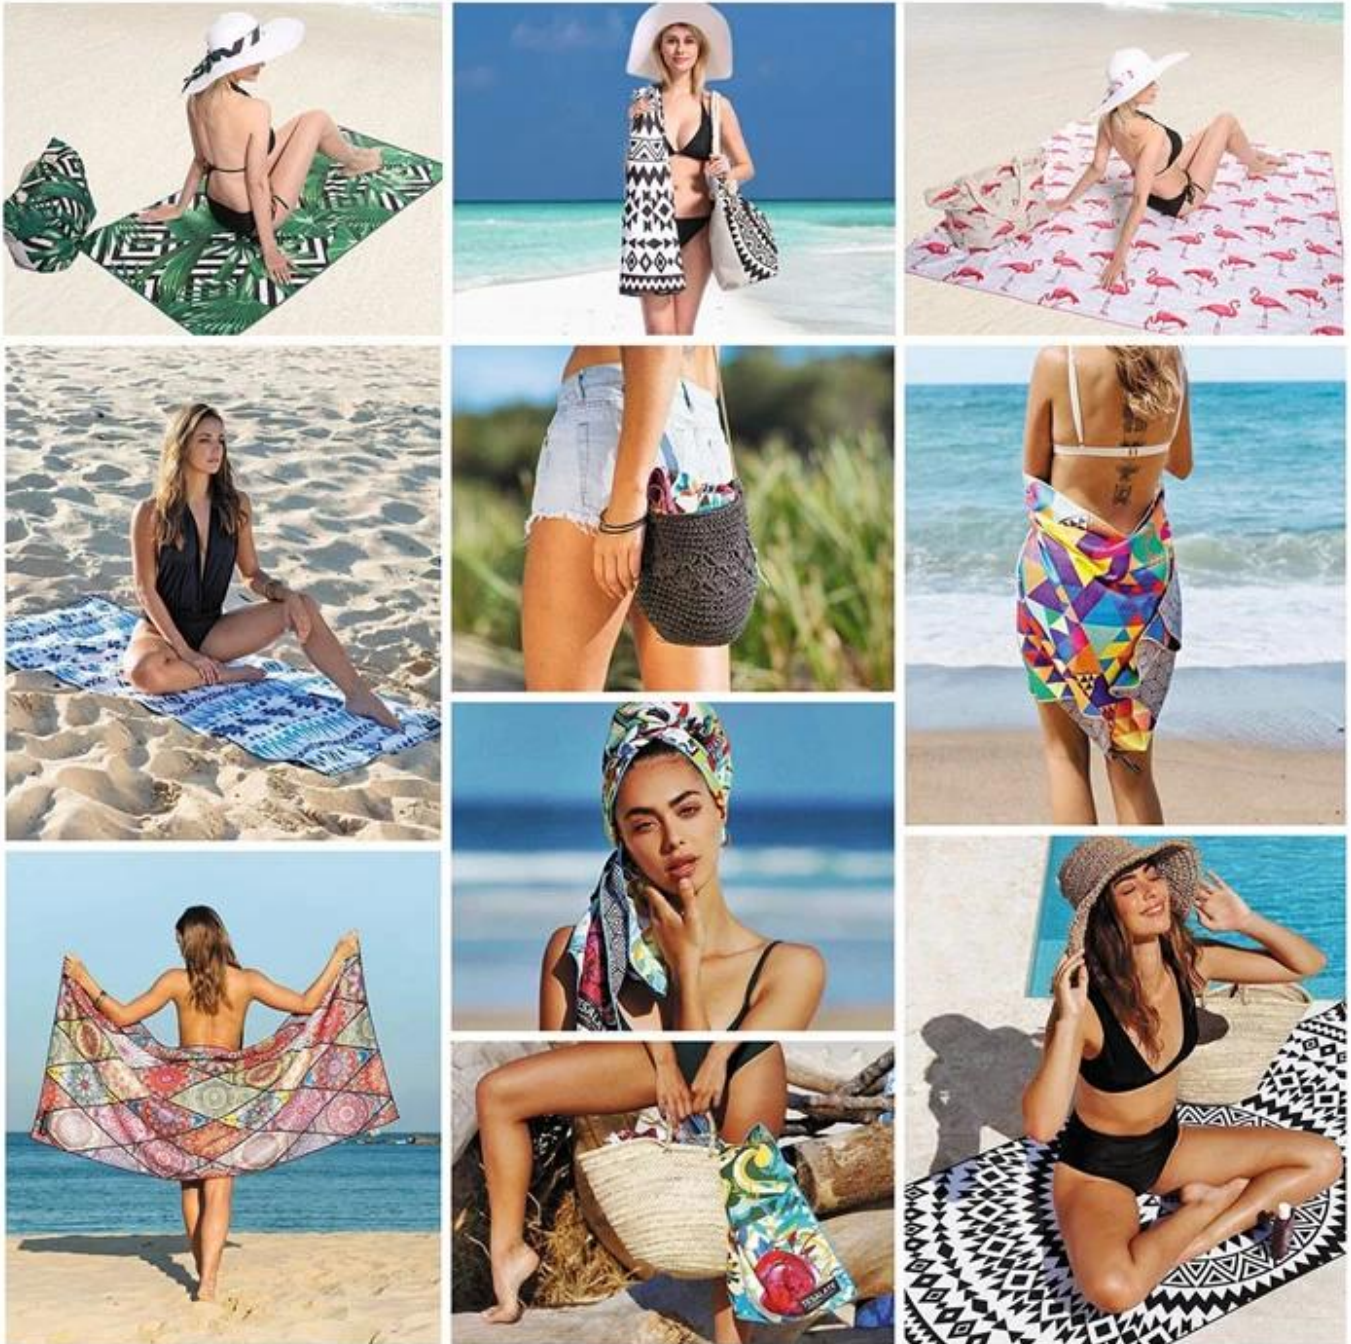

Gli asciugamani in microfibra sono molto diversi dai tuoi soffici asciugamani da bagno, ma la differenza di materiale è ciò che rende questo prodotto così assorbente, ad asciugatura rapida e compatto. Non hai provato prima? Ci vuole un po' di tempo per abituarsi, ma una volta che hai dato una possibilità, non ti guarderai mai indietro!

Flat & Compact

SEMPLICE & ELEGANTE

Con i suoi colori vivaci e il design semplice, questo asciugamano è un successo per tutti.

PIÙ DI ESSERE CONTROLLATO PER

Quel tag sul tuo asciugamano fa molto di piú che un semplice aspetto. Attaccandolo e spegnendolo, puoi attaccarlo agli oggetti per asciugare l'asciugamano o rimanere in posizione. E quella sacca che hai appena tolto l'asciugamano? È anche una custodia per cose come le tue chiavi e il tuo cellulare.

MORBIDO - Taglio su tutta la peluria di un asciugamano tradizionale non significa che devi sacrificare sulla morbidezza. La nostra miscela di nylon al 20% di poliammide all'80% è progettata per essere liscia sulla tua pelle.
