## NIET UW GEMIDDELDE HANDDOEK

Microfiber-handdoeken voelen heel anders aan dan uw donzige badhanddoeken, maar het verschil in materiaal maakt dit product zo absorberend, sneldrogend en compact. Heb je er nog nooit een geprobeerd? Het kan even wennen zijn, maar als je dit eenmaal hebt geprobeerd, kijk je nooit meer achterom!

## EENVOUDIG & STYLISH

Met zijn levendige kleuren en eenvoudig ontwerp is deze handdoek een hit bij iedereen.

#### MEER DAN JIJ NODIG HEBT GEVRAAGD

Dat label op je handdoek doet meer dan er gewoon mooi uitzien. Door het aan en uit te klikken, kunt u het aan items hechten om uw handdoek te laten drogen of op zijn plaats te houden. En die buidel waar je net je handdoek uit hebt gehaald? Het fungeert ook als een draagtas voor zaken als je sleutels en mobiele telefoon.

ZACHT - Bezuinigen op alle pluis van een traditionele handdoek betekent niet dat u moet offeren op zachtheid. Onze 80% polyamide 20% nylonmix is ontworpen om zacht aanvoelen op je huid.
