INCOMPARABLY SOFT & PLUSH – You haven’t felt softness in your life if you haven’t touched these towels with your hands! And we’re not just saying that. Our towels are made with plush, luxury cotton towel fabric that results in an extremely absorbent towel with solid design, similar to those 5-star hotel towels that we all greatly enjoy!

Made in OEKO-TEX Standard 100 factory, an independent certification system that ensures textiles meet high safety and environmental standards.

Towels in the 650 GSM offer a more luxurious, spa-like experience. A high-density towel will feel a little heavier and more substantial than a lower density towel. Denser, premium-weight towels take a little longer to dry, but they make up for it with a warm, cozy feel and enhanced absorbency.
