100% Durable towel quality- Soft and comfortable, super absorbent.

The large size 31.5 "x 63" lets you wrap warmly after a swim and the colorfast material means that the colors of this towel will not fade.

Microfiber absorbs almost 5 times more water than cotton. The towels can absorb up to 7 times its weight. That's why it works perfectly as beach & travel towel and why it dries off so fast. Even more impressive is how fast you can dry the towel itself after use. Just hang it outside for a few minutes and you can quickly use it again.

MULTI-PURPOSE: Not just a gorgeous bath towel or beach blanket! Use it for park picnics, yoga & meditation & poolside lounging.
