	15kg; also based on customer requests	
External packing	Carton, bales packaging	
MOQ	2000pieces	

NOT YOUR AVERAGE TOWEL

Microfiber towels feel much different than your fluffy bath towels, but the difference in material is what makes this product so absorbent, quick-drying, and compact. Haven't tried one before? It can take some getting used to, but once you've given this a shot you'll never look back!

SIMPLE & STYLISH With its vibrant colour and simple design, this towel's a hit with everyone.

MORE THAN YOU BARGAINED FOR

That tag on your towel does more than just look pretty. By snapping it on and off, you can attach it to items to help your towel dry or stay in place. And that pouch you just took your towel out of? It doubles as a carrying case for things like your keys and cell phone.

SOFT – Cutting back on all the fluff of a traditional towel doesn't mean you have to sacrifice on softness. Our 80% polyamide 20% nylon blend is designed to feel smooth on your skin.
