2. Washing instructions:  
(Machine washable) Fold the towel inside out and put it into the washing machine. Then pour the normal temperature water and scrubbing solution in the washer. The towel can't be rinsed, ironed and can not be dried through rotation (spin type) dryer.  
(Hand washing) Fold the towel and put the scrubbing solution and the towel into the normal temperature water for 20 or 30 minutes. Then gently squeeze the towel by hand. When all provisions are over, squeeze the water and hang the towel out to dry.

3. Tips: Baby clothes and adult clothes are supposed to be washed separately for baby's skin is delicate. Their skin has poor ability to control pH. We suggest that when purchasing parents can buy special detergent for baby.
