It is easy to take a good bathrobe for granted. Always there but seldom considered, it's the first thing you grab out of the shower, when you wake up in the morning and when someone rings the doorbell at 11 p.m.

When it is finally time to shop for a new one, you realize how hard it may be to replace an old, beloved friend. You'll find an excellent variety of robes for summer, winter and all those days in between.

Bath robes are ideal for the moments following a shower or bath, but they have many other uses. A high quality bathrobe is a necessity for lounging around on the weekend.

A chilly draft is no match for a good bathrobe, and cotton bathrobes are just the thing for fetching the mail on your day off. It is a good idea to have a few: one for winter, one for summer and one for out of the shower.
